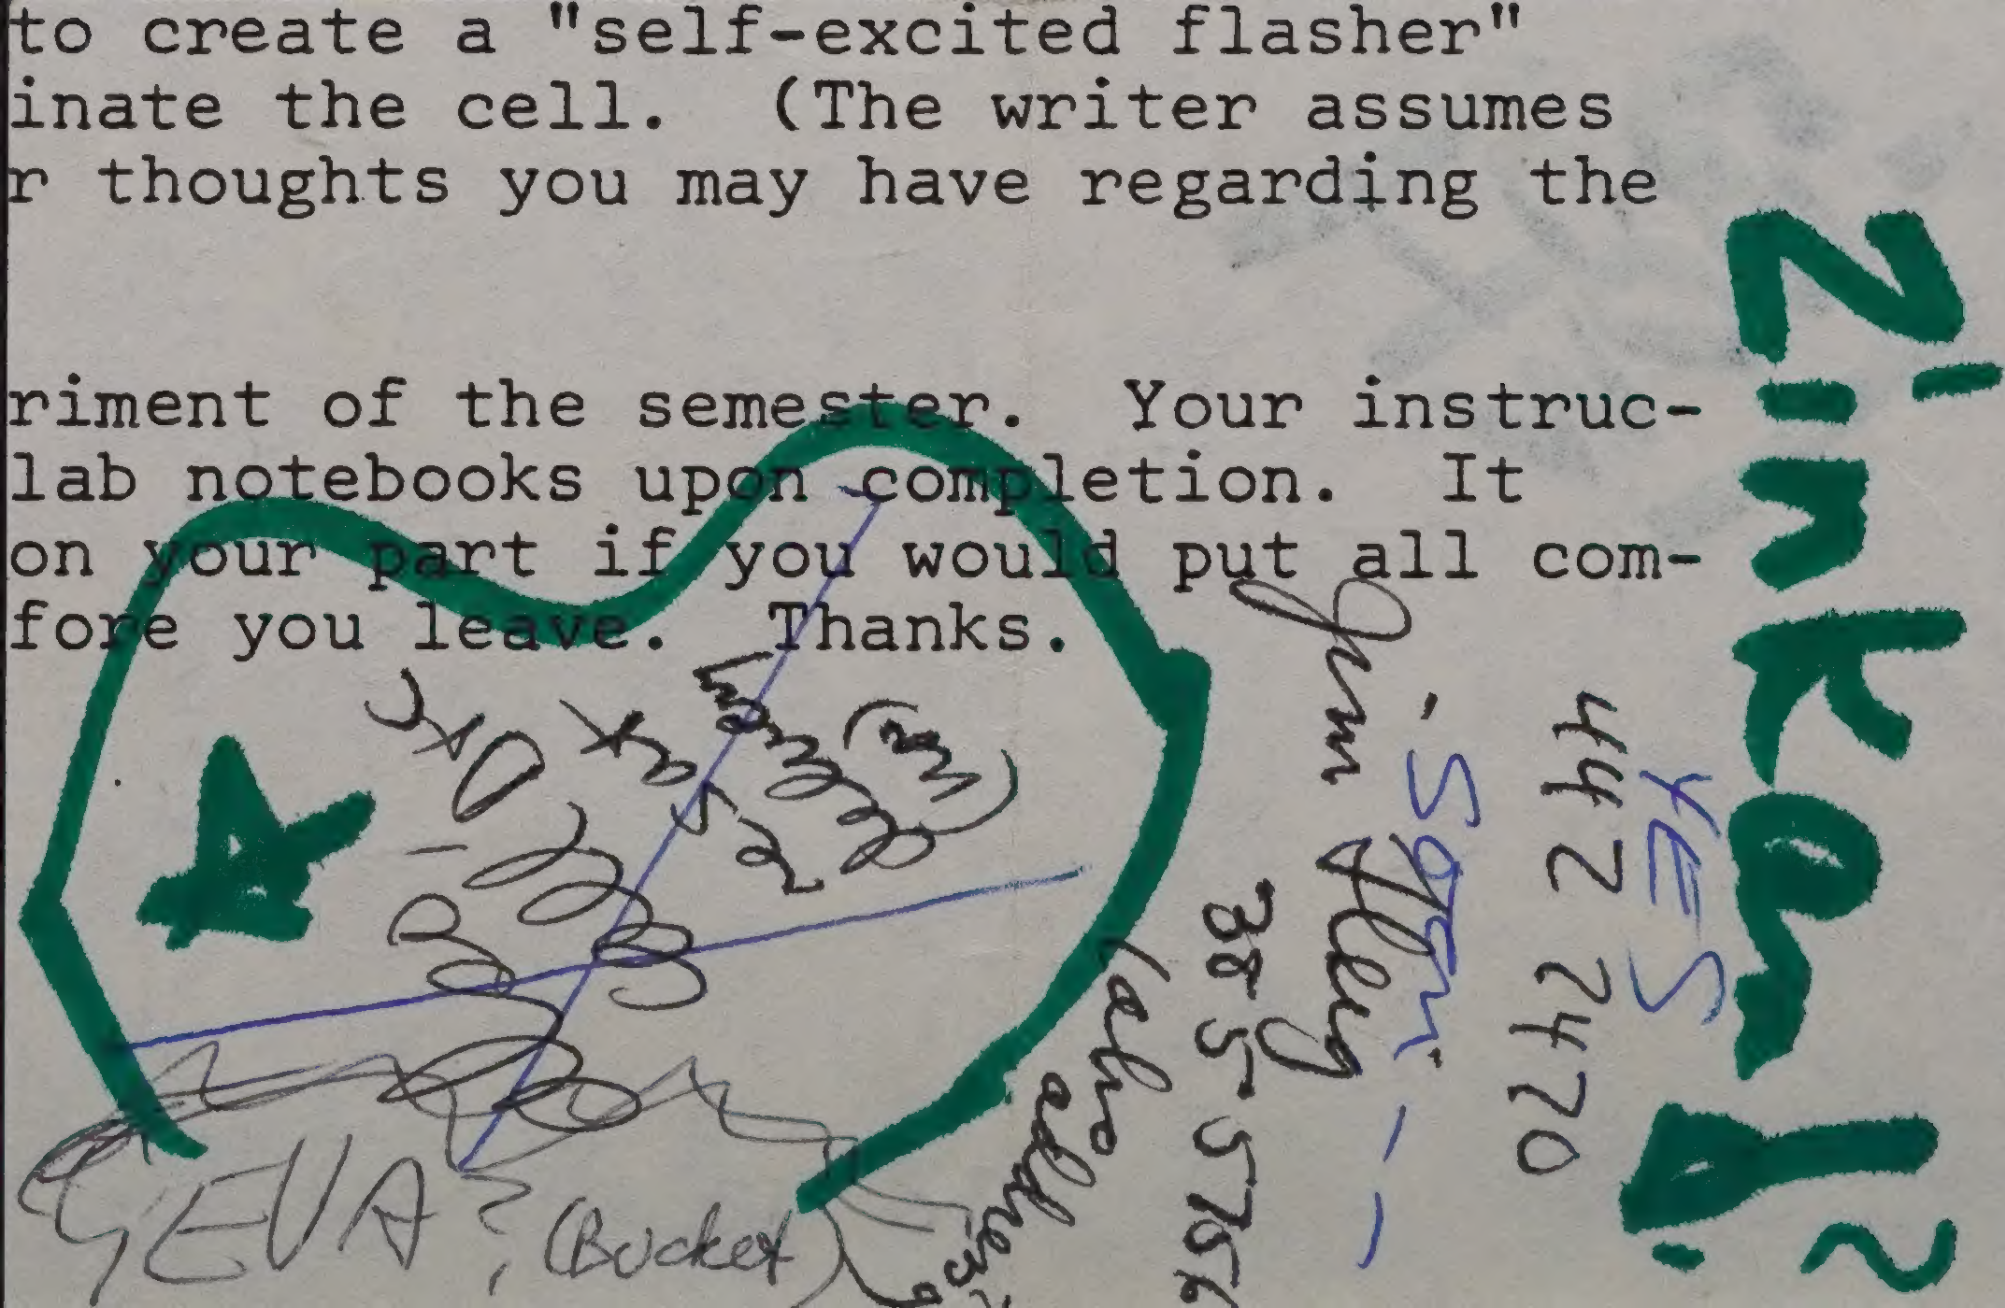
men - do better

For what other purpose would you take your shirt off in a public place?

NO!

"to educate to broaden people's perspective about how things might be done"

to create a "self-excited flasher"
inate the cell. (The writer assumes
r thoughts you may have regarding the


riment of the semester. Your instruc-
lab notebooks upon completion. It
on your part if you would put all com-
fore you leave. Thanks.
